

## WE ARE HERE FOR YOUR OPERATIONS!

Your operation is important during this time to keep things moving during this crisis, so it is important that you are prepared with the right equipment and parts to avoid inconvenient delays and interruptions.

### DSI IS READY TO HELP

Because of our expertise and the industries we serve, we are designated an essential provider during this period of crisis. We are here to support your ongoing operation and to make sure you are prepared for your current business, as well as the resurgence of business that we are confident will be coming back soon. Let our experts evaluate your conveying equipment and ensure you're prepared.

### NOW IS A GREAT TIME

Now is a great time to take inventory of your spare parts supply for your conveyor equipment. DSI maintains a list of the suggested spare parts inventory for your sandwich conveyor equipment to help ensure you're prepared, and we can also offer the parts you may need for your other conveying equipment. Whether you are operating at full bore to keep up with demand, or are temporarily suspended until the crisis passes, it is important to be ready to continue the important work you do.

### SITE VISITS

We know that many sites are closed to non-essential visitors at this time, but if your situation requires on-site expertise to maintain your crucial operation, we are pleased to travel to your site, and are committed to following all health and safety guidelines. We are also pleased to offer "teledoc" style consultation by video-chat (WhatsApp, Duo, Skype, etc).
